LOWEST BID WINS CONTRACT

Board of Works Accepts Ohio Company's Metallic Furniture.

A contract was awarded today by the board of public works to the Rough Notes Company for steel filing cases and other metallic furniture for the new city hall building. The contract price is $14,463, the lowest of five bids submitted, and the cases and furniture will be manufactured by the Berger Manufacturing Company, Canton, O.

The board has had the bids under consideration for some time and visited the factories represented by the two low bids to see how the articels are manufactured and also the capacities of the plants. The next bid was about four thousand dollars higher than the low bid. The board had an appropriation of $20,000 for the cases and furniture.

Bids were received for window shade for the city hall building. Those who submitted bids were H. P. Wasson & Co. Pettis Goods Company and Berger Manufacturing Company. Board

This furniture has the handsome appearance of the most finely finished wood. Its strength and durability assures a lifetime of real service and is a guarantee of the safety of your records under all conditions.
